## Start by making bra cups (make 2)

Chain 12(12,14,16,18)

Turn chain and SC until the last chain

Place 3 sc in the last chain, mark the middle stitch

Continue with sc down the other side of your base chain, turn

Sc up the side until you reach your marked stitch, place 3 sc in that stitch and move your marker to the middle stitch again then continue sc down the other side

Repeat the last step until you have 10(12,14,16,18) rows total then fasten off

### Neck Detailing

Place a DC in the top stitch of one of the cups  
Ch 1, skip one, Dc 1 into the next stitch, repeat

Now we will be skipping stitches at the bottom of the cups, this will create a keyhole around the middle of the chest. Skip as many stitches as you see fit but **make sure it is symmetrical on each side**

I normally skip 6 stitches on each cup  
Continue with the Ch 1, skip 1, Dc 1 on the other cup  
ending at the tip then turn

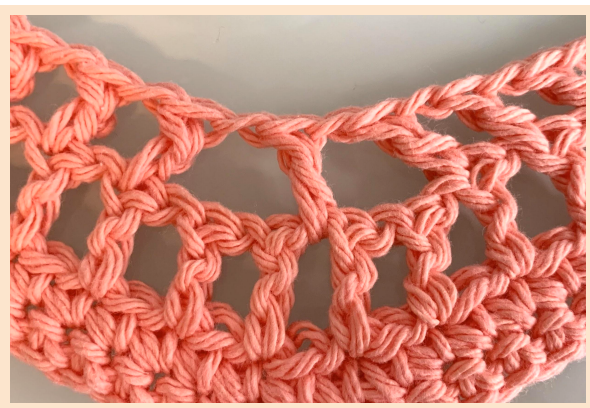

Sc 2 rows normally then turn

Chain 3, skip 1, place a DC, Ch 1, skip 1, Dc 1  
repeat all the way across and turn

Chain 3, place one Dc in the next dc, chain 1 and  
place a DC in the next Dc  
Once you reach the middle 4 stitches skip the first 2  
place a DC in the middle then skip the other 2 and  
continue on

Turn and Sc across, Sc 3 together in the middle  
Turn, Chain 4 and TC on the next DC from the row  
below, don't chain 1, TC in the next dc and repeat  
across  
Skip 3 DCs in the middle  
Fasten off
